Contribution to the development of the institution through non-financial means:-

Many distinguished alumni serve as role model for the current students. Alumni are invited to address the juniors in their department whenever they visit the campus. They share their experiences regarding time management, self-discipline and career management often found to be more useful and inspiration for students. This type of interactions helps juniors to get useful awareness about the opportunities and challenges ahead of them.

They share their experiences, knowledge and advice the students and by means of these alumni meets, a strong bond is created between the passed-out students and current batch and helps them to get best career guidance of their choice. Apart from this, the alumni frequently visit the institution and deliver guest lectures on career guidance in their areas of expertise and motivate the young minds. Successful alumni entrepreneurs are often invited to share their success stories on various occasions in the Institute. With the help of alumni, value added courses and technical skill development programs are also conducted. The alumni also help the final year students of the various streams of engineering and business administration to get their placements and summer internship in their companies.

The alumni association meetings also pave the way for the successful placements of the students.
