March 17, 2019

Organizing Chairman, GATE 2019
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_g + (S_t - S_g) \frac{(M - M_g)}{(\bar{M}_t - M_g)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_g is the qualifying marks for general category candidate in the paper

$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_g = 350$, is the score assigned to M_g

$S_t = 900$, is the score assigned to $\bar{M}_t$

In the GATE 2019 score formula, M_g is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

*** Qualifying marks for candidates belonging to reserved categories

Prof. B. R. Chahar

Organizing Chairman, GATE 2020
(on behalf of ICB - GATE, for ME/EE)

CGT/ME/EE/2020/00000000000000000000

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 50% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session M_{ij} was computed using the formula

$$M_{ij} = \frac{M_{ij}^2 - M_c^2}{M_t^2 - M_c^2} (M_{ij} - M_{ij}^*) + M_{ij}^*$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

M_c is the average marks of the top 0.1% of the candidates considering all sessions

M_{ij}^* is the average marks of the top 0.1% of the candidates in the paper considering all sessions

M_t is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

M_{ij}^* is the sum of mean and standard deviation marks of the candidates in the i^{th} session

M_c is the sum of mean and standard deviation marks of the candidates in the i^{th} session

M_{ij}^* is the sum of mean and standard deviation marks of the candidates in the i^{th} session

* Normalized marks for Civil Engineering and Mechanical Engineering Papers
** Candidates who appeared in the exam for the first time and are general category candidates will be qualified if they score marks equal to or greater than the qualifying marks. For candidates who appeared in the exam for the first time and are reserved category candidates, the qualifying marks will be 10% less than the qualifying marks for general category candidates.

Prof. B. R. Chahar

Organising Chairman, GATE 2020
(on behalf of NCB - GATE, for NHRD)

94400120501722601018090706075

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/studentship. Admitting institutions may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is lower, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session $\hat{M}_{ij}$ was computed using the formula:

$$\hat{M}_{ij} = \frac{M_{ij}^q - M_q^q}{M_{it}^q - M_q^q} (M_{ij} - M_{iq}) + M_{ij}^q$$

where

M_{ij} is the marks obtained by the j^{th} candidate in i^{th} session

M_{it}^q is the average marks of the top 0.1% of the candidates considering all sessions

M_q^q is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

M_{ij}^q is the average marks of the top 0.1% of the candidates in the i^{th} session

S_t is the sum of the mean marks and standard deviation of the i^{th} session

Re: Your appointment as "Assistant"

Dear Sir/Madam,

1. We are pleased to inform you that on the basis of your application in response to our recruitment notification dated 17/09/2019, you have been considered eligible to be appointed as **Assistant** on probation in the scale of Rs. 14435-40080 at the **Jodhpur Divisional Office** of the Corporation. Your initial Basic Pay will be Rs. 14435- Per month only. You will be covered under Defined Contribution Pension Scheme of the Corporation.
2. Over and above the Basic Pay mentioned in para 1 above, you will be paid such allowance as may be applicable to the employees of the Corporation from time to time.
3. Your appointment shall be governed by the Life Insurance Corporation of India (Staff) Regulations, 1960, the rules framed by the Central Government under Section 49 of the LIC Act 1956, the rules of the Corporation and such instructions and/or orders that may be issued to you orally or in writing from time to time.
4. You will be required to perform the jobs of Assistant, Cashier, Single Window Operator, Customer Service Executive, etc. as and when required by the Office.
5. You will be on probation for a period of 6 months from the date of your joining. You will be required to undergo training for 3 months, consisting of 2 weeks theoretical training at Jodhpur Divisional Office, commencing from 01.02.2020 and 2 months practical training at the Branch Office (inform later on).
6. During the period of probation, which may be extended by another 6 months, you are liable to be discharged without notice as per Rule 14 (4) of the LIC of India (Staff) Regulations, 1960.
7. Please note that your normal Retirement Age shall be 60 years.
8. On the basis of the documentary evidence produced by you indicating your sub-caste, you are treated as a candidate belonging to ST (SC/ST/ADIC/VEWS). You are required to inform the Appointing Authority about the change, if any, immediately after any change in your caste status as stated above. Your above appointment is provisional and subject to community certificate being verified through proper channels. On verification, if it is revealed anytime that your claim that you belong to ST is false, your services will be terminated forthwith without assigning any further reasons and without prejudice to such further action as may be taken under the provisions of Indian Penal Code for production of false certificates.

LIC

लघु बीमा निगम लिमिटेड
The Small Insurance Corporation of India

9. Your confirmation in the services of the Corporation will be subject to satisfactory performance during the period of probation as stated above.

10. Your daily working hours excluding lunch interval will be 6 1/2 hours on all working days, subject to this limit your actual working hours will be prescribed by the office from time to time.

11. If more than one shift is working, you will be liable to be transferred from one shift to another.

12. Please note that you will be entitled to travelling allowances as per rules for your journey from the place of theoretical training to the Branch where you are posted for practical training. In case theoretical training is given after your initial appointment but while on probation you will be entitled to travelling expenses as per rules for your journey from the office in which you are undergoing practical training to the place of training. However, no daily allowance will be paid to you for your stay at the place of training during the training period.

13. You will not be entitled to any travelling allowance for taking up your duties at the place where you are now being posted.

14. You are liable to be transferred anywhere in India where the Corporation has its offices.

15. You will not be allowed to undertake any part-time studies unless sanctioned in writing by the authority competent to give such permission. Any prosecution of the part-time studies, if permitted, shall always be subject to office exigencies and no claim for leave for preparation shall be made on the ground that such part-time studies were undertaken by you on or prior to your joining the Corporation or that permission was given for the same by the authority competent to do so.

16. Corporation follows a Zero tolerance policy in relation to frauds (Anti Fraud Policy) and mandates utmost integrity and good personal conduct by its employees to safeguard its interests including interest of Policyholders. Any indulgence into said activity may result in Removal/Dismissal of the employee from the services of the Corporation as per provisions of Staff Regulations, 1990.

17. On your joining the Corporation as an Assistant, you are required to be a member of the Corporation's Group Insurance Scheme 2004 for Class III employees and New Group Insurance Scheme. On confirmation, you are required to be a member of the reimbursement of Hospitalization Expenses Scheme (otherwise known as Group Mediclaim Scheme, 1988) introduced for the benefit of employees.

18. If the terms herein above offered are acceptable to you, you are required to report to duty at the Divisional Office of the Corporation mentioned in para 1 above on 01 Feb 2020.

Yours faithfully,

(St. Divisional Manager)

Date: 13.12.2017

Madam/Dear Sir,

SELECTION OF PROBATIONARY OFFICERS 2017 BATCH OFFER OF APPOINTMENT

We are pleased to inform you have been selected for appointment in Jaipur Circle as a Probationary Officer in our Bank.

2. Your date of joining the Bank has been fixed on 29.12.2017. Hence make it convenient to report on that date to Assistant General Manager (BOLC), State Bank Learning Centre, Sector 2, Vidhyadhar Nagar Jaipur. You are required to make your own travel arrangements. However, for initial joining, you will be reimbursed travelling expenses from the place of residence/previous employment by air shortest route. The reimbursement for this purpose will be Rs. 10,000/- per month.

3. Your appointment will be subject to satisfactory completion of pre-appointment formalities including the following:

- a) Medical examination by Bank's Doctor and his satisfactory report/clearance after medical examination as may be conducted by him.
- b) Verification of certificates / testimonials in original evidencing the date of birth, caste, experience (if applicable), educational qualifications etc.

In case you are serving elsewhere, please arrange to furnish a release/ discharge letter from your present employer by that date.

4. Your basic pay will be Rs. 27,620/- p.m. in the Junior Management Grade Scale I, i.e. 4 increments above the first stage of JMGS I pay-scale: Rs. 23730-98077-20560-11450-2-32950-13157-42020 with effect from the date of joining. You will be entitled to Dearness Allowance, House Rent Allowance and other allowance(s) depending upon the place of posting, and contributory Provident Fund as per rules of the Bank. Further,

Director

G. Pugazhenth

Prof. G. Pugazhenth
Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

March 17, 2018

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_x + (S_y - S_x) \frac{(M - M_q)}{(R_x - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidates in the paper

R_x is the mean of marks of top 0.1% or top 1.0 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_y = 350$, is the score assigned to M_q

$S_x = 900$, is the score assigned to M

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistsanship. Admitting institutes may conduct further tests and interviews for final selection

M is the marks obtained by the candidate in the paper mentioned on this score card in GATE 2017

M_q is the qualifying marks for general category candidate in the paper

M_r is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper [in case of multi-session papers including all sessions]

$S_q = 350$, is the score assigned to M_q

$S_r = 900$, is the score assigned to M_r

In the GATE 2017 score formula, M_r is usually 25 marks [out of 100] or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2017 does not guarantee either an admission to a post graduate program or a scholarship/assistantship.

Admitting Institutes may conduct further tests and interviews for final selection.

CALL LETTER FOR ENROLMENT IN THE IAF

GROUP X (TECH)

SRYND

Dear Candidate,

I am pleased to inform that you are provisionally selected for SRYND in the IAF and you are requested to report to the IAF at the IAF Station, Old Path Road, Gurgaon, Haryana on 28 Jun 14 to 02 Jul 14 for enrolment in the IAF.

YOUR ENROLMENT WILL BE SUBJECT TO YOUR MEDICAL FITNESS AND AVAILABILITY OF VACANCIES IN ORDER OF MERIT.

A list of important instructions to be adhered by you is printed overleaf.

FAILURE TO ADHERE TO THE INSTRUCTIONS GIVEN IN PARA 1, 2 AND 3 ABOVE WILL RESULT IN THE CANCELLATION OF YOUR CANDIDATURE.

You have to make your own arrangements for your stay between 28 Jun 14 to 02 Jul 14 as you are not entitled for any allowance.

If you are enrolled, you will be posted to the Training Institute for the IAF from AFS immediately after the enrolment. Second Class Rail/Bus Fare will be provided to the candidates only, on production of ticket(s) from home town and

Standard Rules for marks, papers, papers

The candidate is responsible for the marks obtained in the GATE 2018 scorecard. The marks are calculated on the basis of the marks obtained in the examination. The marks are calculated on the basis of the marks obtained in the examination. The marks are calculated on the basis of the marks obtained in the examination.

Marking Scheme: 1 mark for correct answer, 0 mark for incorrect answer, 0 mark for unattempted question.

Prof. B. Pragasam

Prof. B. Pragasam

March 17, 2018

Organizing Committee, GATE 2018
(on behalf of IITs - GATE, IIT Bombay)

The GATE 2018 score is estimated using the formula

$$\text{GATE Score} = S_q + (T_q - S_q) \frac{(M - M_q)}{(M_q - M_q)}$$

where

M is the marks obtained by the candidate in the paper (rounded off to the nearest integer)

M_q is the qualifying marks for general category candidate in the paper

M is the mean of marks of top 0.1% or top 10 (whichever is lesser) of the candidates who appeared in the paper (in case of multiple papers, excluding all sections)

S_q is the score assigned to M_q

T_q is the 20th rank assigned to M_q

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or 10, whichever is greater. However, it is the qualified candidate's qualification or marks of all the candidates who appeared in the paper.

GATE 2018 score is not a guarantee of admission in a post graduate program or a scholarship or fellowship. Admission is solely based on the merit and other factors and is subject to the discretion of the institution.

Codes for XI and XII Paper Sections (compulsory section and any other two sections)

BARC OCES/ DGFS 2020 25 Nov

to me

Dear **Mr. KUNAL MOINANI,**

On the basis of your performance in the Online Test conducted by the BARC Training Schools, we are pleased to inform you that you have been shortlisted for the Selection Interview stage of the recruitment process of the OCES/DGFS 2020 programmes of the BARC Training Schools leading to a career with the Department of Atomic Energy. As per the choice exercised by you to book your Interview slot on the website <http://www.barconlineexam.in>, your Selection Interview is scheduled as follows:

Date of Interview: 17-12-2020

Reporting Time: 8:30 a.m.

Venue where Candidate must report:
Multipurpose Hall, BARC Training School
Hostel, Anushaktinagar, Mumbai 400094.

GATE Score

392

Valid from March 18, 2020 to March 17, 2023

Qualified

March 18, 2020

* Normalized marks for GATE 2020 Mechanical Engineering Paper
** Qualifying marks for GEN. CAT. OBC (NCL) SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.
*** For more details, please refer to the official website of the exam.

Prof. B. R. Chahar

Deputy Chairman, GATE 2020
(on behalf of NCB - GATE, for MHRD)

94167570074502000000000000000000

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$\text{GATE Score} = S_4 + (S_2 - S_4) \frac{(M - M_4)}{(M_1 - M_4)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_4 is the qualifying marks for general category candidate in the paper

M_1 is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_4 = 350$, is the score assigned to M_4

$S_2 = 500$, is the score assigned to M_1

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session M_{ij} was computed using the formula

$$M_{ij} = \frac{M_{ij}^2 - M_{1i}^2}{M_{1i} - M_{1i}} (M_{1i} - M_{1i}) + M_{1i}^2$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

M_{1i}^2 is the average marks of the top 0.1% of the candidates considering all sessions

M_{1i} is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

M_{1i} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{1i} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Prof. Nilesh J. Vasa

March 17, 2019

Chairman, GATE 2019
The Board of GATE in Electrical Engineering

The GATE 2019 score is calculated using the formula

$$\text{GATE Score} = S_0 + (S_1 - S_0) \frac{(M - M_1)}{(M_2 - M_1)}$$

M is the marks obtained by the candidate in the GATE 2019 paper and M_1 is the qualifying marks for general category candidates in the paper.

M_2 is the mean of marks of top 0.1% or top 10 whichever is higher of the candidates who appeared in the paper (in case of multiple papers including all sessions).

S_0 is the score assigned to M_1 .

S_1 is the score assigned to M_2 .

In the GATE 2019 scorecard, M is 20 marks (out of 100) or α , whichever is greater. Here α is the average of the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee admission to a post-graduate program or a scholarship. Candidates may conduct other tests and interviews for their selection.

Sub: Recruitment Group 'C' - Asstt. Loco Pilot in level 2 in pay matrix in VII th PC Allotment of RRB Candidates - RRB - BPL.

Ref: (1) H.Q. office CCG's letter No. E(R&T) 890/25/1 Vol. V dated 05.02.2020.

(2) RRB BPL's letter No. RRB/BPL/PANEL/139/16 dated 13.12.2019.

In terms of H.Q. Office CCG's letter under reference, you have been selected for appointment to the post of ASSISTANT LOCO PILOT in level 2 in pay matrix in VII th PC and allotted to this Division. After completion of all the requisite pre-appointment formalities, you will be appointed as AEP in Mechanical Department on this division.

- (1) The appointment offer to you is purely on temporary basis and your service are liable to be terminated on 14 days notice or pay in lieu thereof for any act of indiscipline, misconduct etc.
- (2) You will be considered for appointment in the permanent post on successful completion of prescribed period of training. Your appointment is liable to be terminated on 07-days' notice for any act of indiscipline, misconduct etc. and if you will fail to pass any of the prescribed test/examination held during the training period.
- (3) You are hereby warned that the appointment is purely temporary and your services are liable to be terminated in case you are surplus to requirements.
- (4) The appointment is subject to your passing the prescribed medical examination and subject to found suitable for appointment in Government services after verification of your character and antecedents by the concerned authority.
- (5) You will be liable to be transferred at any station of the Railway and you should definitely indicate in your acceptance that you would abide by the said condition.
- (6) If selected for appointment against a working post on completion of your training, you will have to serve the Railway Administration for minimum period of five (05) years if required by the Administration and you will not be allowed to withdraw from training except for any reasons, which are beyond your control.
In case you fail to serve the Administration for a minimum period of five (05) years, as stated above, or if you will have to withdraw from training by wilfully absenting yourself or adopting any unfair tactics, you will be liable to refund the whole cost of your training as well as any other money paid to you during the period of training by way of stipend pay etc. The cost of training being understood to be 12% % of the pay and allowance (excluding T.A. & D.A.) drawn by you.
- (7) You will have to take an oath / make solemn affirmation of allegiance to Indian and to the Constitution of India.
- (8) You have to conform to all the rules and regulation applicable to Government Railway employee.
- (9) You will be governed by the new Pension rules promulgated by the Ministry of Railway as in force from time to time.
- (10) You have to submit the declaration regarding plural marriage.

Valid from March 18, 2020 to March 17, 2023

Prof. B. R. Chahar
Organising Chairman, GATE 2020
On behalf of NCB - GATE, for MHRD

Barcode: 027435100404504

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, a qualifying marks for a general category candidate in each paper is $u + \sigma$ or 25 marks (out of 100), whichever is greater, where u is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for URBCNCL and SC/ST/PwD candidates are 50% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalised mark of j^{th} candidate in the i^{th} session M_{ij} was computed using the formula

$$M_{ij} = \frac{M_{ij}^s - M_{10}^s}{M_{0.1}^s - M_{10}^s} (M_{10} - M_{10}^s) + M_{10}^s$$

M_{ij} is the marks obtained by the j^{th} candidate in i^{th} session

M_{10}^s is the average marks of the top 0.1% of the candidates considering all sessions

$M_{0.1}^s$ is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

M_{10} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{10}^s is the mean marks and standard deviation of the i^{th} session
