MEMORANDUM OF UNDERSTANDING

Between

SHRI RAWATPURA SARKAR UNIVERSITY, RAIPUR

&

Accurate Institute of Management & Technology, Greater Noida

This MOU is entered into on the 28th Day of July – 2020 by & between SOE, Shri Rawatpura Sarkar University, Raipur and Accurate Institute of Management & Technology, Greater Noida

Objectives of MOU –

- 1- To promote and enhance relationship between Academia & Collaborative Activities
- 2- Sharing Knowledge and capability in the concern areas for mutual benefits & become trusted partner in the area of knowledge enrichment
- 3- To conceptualize the research projects to be executed in collaboration on need basis
- 4- To collaborate, share information and technology to develop the required skills and Intend to create a centre of excellence to support this collaborative effort.
- 5- To support the institute in following activities
 - i. Research work leading to Engineering Students
 - ii. Laboratory/ infrastructure Development
 - iii. Capability development of the students
 - iv. Academic projects
 - v. 6 Months Industrial Training
 - vi. Summer Internships
 - vii. Workshops, Seminars, Events, Industrial Visits
 - viii. Recruitment for eligible candidates as JRF & SRF
 - ix. Faculty Development Programs by experts
 - x. Promoting Interaction between Faculties, Students & Industries

Director
Accurate Institute of Management & Technology
Greater Noida

The Memorandum will be the guiding document for both the parties for execution of the actions and initiatives in the near future. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action points contained in it and report on the progress achieved at regular intervals.

Segment of Workings –

- 1- Sharing of R & D Laboratories/ Research Centers
- 2- Promotion of Interdisciplinary Research & Collaboration
- 3- Publication & IPR
- 4- Consultancy Projects
- 5- Events & Activities

Benefits to Accurate Institute of Management & Technology, Greater Noida –

- 1- Opportunity to emerge as one of the competent entities in the academic circles in Core development and Manufacturing in the area of Engineering and Technology.
- 2- Opportunity to be recognized by the industry and academic circles as one of the preferred locations for acquiring training and skills development in latest technology
- 3- Opportunity to utilize the Manufacturing Setup & State of the Art Machineries to train students at SOE, SOE, Shri Rawatpura Sarkar University, Raipur.
- 4- Opportunity for the faculty and students of Engineering & Technology, AIMT to design world class practical/internship curriculum capable of delivering the caliber of Industrial skills and need of technical expertise required at present and also for the future
- 5- Opportunity to provide Faculty Development programs to qualified Faculties of college on latest Technologies
- 6- Regular Interaction with 2 to 30 yrs experienced experts of different engineering Domains.
- 7- Opportunity to interact with technical and engineering Associations / Leading Industries for increasing the ratio of Placements for eligible students
- 8- Opportunity to connect with all latest, growing & upcoming fields/technologies in Engineering and Manufacturing

Benefits to SOE, SOE, Shri Rawatpura Sarkar University, Raipur

- 1- Creation of a resource pool of core technical Specialist/Professionals to boost the existing Skill.
- 2- Inclusion of practical's & hands on experience in the course curriculum as add-on.
- 3- Availability of Skilled Candidates from our training & certification, which would benefit SOE, SOE, Shri Rawatpura Sarkar University, Raipur -University
- 4- Opportunity to interact & get some innovative ideas from different level of Minds and creativities of energetic & young students.

Term & Conditions –

- 1- The cost of development of any infrastructure related to LAB Material etc will be borne by both parties.
- 2- For providing services, like as Training/Internships, Workshop, Industrial Visits, Faculty Development Programs, placements etc the financials arrangements will be made on mutually agreed terms.
- 3- For Visits related to advice & consultancy, travel & other expenses of Experts shall be reimbursed after approval by the appropriate authorities on mutual agreement.

Director
Accurate Institute of Management & Technology
Greater Noida

- 4- This MOU may be amended, renewed & terminated by mutual agreement of the both parties at any time.
- 5- Both parties shall have the right to terminate this MOU upon 60 days prior written notice to other party,

MONITORING OF IMPLEMENTATION

A Co-ordination Committee, consisting of two faculty members of AIMT and two experts nominated by SOE, SAI University will do the planning and monitoring of the implementation of the various aspects of this MoU. There will be an annual review. This review would primarily focus on the Quality of Training, performed Activities, progress, faculty & students availability and certification.

Summary

SOE, SAI recognizes the significance of the AIMT initiative to be the leader in the field of Advance Engineering Manufacturing related academia in the country. SOE, SAI proposes to make available the appropriate technology and expertise to develop AIMT's students position as a leading institute & candidates in the country providing high quality Industry Oriented Innovation, Training, Research & Development.

This Memorandum of Understanding is intended to express the broad understanding of the parties regarding their working with each other to the extent possible for their mutual benefit.

ACADEMIC PARTNERSHIP

With

(ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY, GREATER NOIDA)

63SATS - a pioneer in cybersecurity solutions - will leverage its technical know-how and expertise to develop state-of-the-art forensic labs, world-class infrastructure, courses, and training modules for imparting hands-on training to cybersecurity aspirants thereby catering to the immediate demand from the industry to handle the data security threats that are on the rise with each passing day.

63SATS extends the reach and access of its cutting-edge domain expertise to research and academic institutions with an objective of Capacity Building through Faculty Development, Curriculum Design and Delivery, Special Reviews and Studies, Special Skill Development Programs, among other initiatives.

63SATS, along with its international strategic partners and sister concern 3.0 University is steadfast in its commitment to fortifying cybersecurity measures, making digital markets safer and secure for every individual's journey into the future. 3.0 University has been a pioneer in imparting real-time, hands-on, practice-oriented, and industry-driven skills and knowledge to aspiring young professionals.

In this regard, 63SATS is in the process of associating with select esteemed institutions like yours so that your students can gain from this game-changing technology and propel their career to greater heights.

Objectives and Deliverables of the Industry-Academia Association are:

1. Full-time manpower requirements for theoretical as well as practical training will be met from our end.
2. We assure guaranteed internships to the enrolled students through our global industry partners. Complete assistance would be provided for Placements.
3. Our Faculty Development Program will ensure that trainers and mentors are always up to date with the latest developments in cybersecurity.
4. Our world-class cybersecurity lab will host students and trainers to experience

MoU-Gen-Draft-8 Dec 2021

Director
Accurate Institute of Management & Technology
Greater Noida

Page 1 of 9

This MoU is signed between the following parties, here-in-after collectively called as the "Parties" on following terms & conditions:

1. THE FIRST PARTY

Accurate Institute of Management & Technology (hereinafter called the 'First Party' or 'ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY' which expression shall, unless it be repugnant to the subject or context thereof, include its successors and assignees)

AND

2. THE SECOND PARTY:

Institute for Industrial Development (IID), a business incubator under Public Private Partnership with Ministry of Micro, Small and Medium Enterprises (MSME) & Samadhan Samiti, having its office at Gandhi Darshan, KVIC Pavilion, Rajghat New Delhi, set up as a virtual business incubator to educate, update and train professionals and entrepreneurs and guide them with the latest technology, schemes, manufacturing processes, machinery details, project cost etc. It primarily discharges its responsibilities, through online and offline training, of entrepreneurship development on behalf of Ministry of MSME. Online portal and Mobile Apps are used by IID to deliver training content through tools like weekly live Industrial workshops, Expert Episodes, Industrial Documentaries, Project Reports, registration and Government Scheme guidance. It is also managing MSME helpline through its call-centre. It has its own YouTube channel named "Entrepreneur India TV". It has its own production houses at Rajghat, New Delhi &

Sector 6 Noida which comprise of fully equipped Audio Video Studio with Chroma Facility, Editing Room and Live Streaming equipment in Real Time. It has in-house production team which comprises of cinematographers, editors, anchors and content writers. IID is also a "START-UP Incubator" promoted by Government of Uttar Pradesh. IID shall, here-in-after be called the 'Second Party' which expression shall, unless it be repugnant to the subject or context thereof, include its successors and assignees.

3. Purpose of MOU:

Self-employment and entrepreneurship development is a key concern for both the parties; both are working for it according to their respective strength and domain expertise. It is obvious that **ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY** is focused more on their key area of education while IID is focused on entrepreneurship development, skill development and providing industrial knowledge for creation of industry-ready educated youth.

Therefore, this MOU is designed to synergise on the common area of expertise with focus on entrepreneurship development and skill development of educated youth, who enrol(led) in different streams of education with the First Party at different times.

Youth of nation need to be motivated through online workshops, EDP training and Industrial Readiness Program (IRP) through online portal and mobile apps, in accordance of the need of hour. Students need to be enrolled according to their domain specific business models or industries. IID is imparting Training, providing guidance and updating of knowledge of aspiring students regarding setting up of industries, start-ups and small businesses through its unique incubation process.

IID will organise for enrolment of the students from various streams of **ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY** on IID portal "**iid.org.in**" & "**Entrepreneur India TV**" Apps for Online Entrepreneurship Development training and nurturing with various

industrial processes. The student may download the aforesaid mobile apps to update themselves about the working of the various industries, which may give them better understanding of their job roles as well as help in self-employment. IID shall also provide this platform to First Party's Alumni students of various streams, who want to start their business. These entrepreneurs can, in turn, generate employment through this process whereby fresh graduates may be employed in these industries.

Both Parties now agree to undertake the following activities:

4. First Party Role:

The role of First Party pertains to the work assigned to its departments, faculty & allied institutions of the First party. In specific terms, the First Party shall:

provide their platform to IID for implementation of EDP, skill development programme, Industry Readiness Program (IRP) and allied nurturing programmes for its various streams of education on compulsory project on quarterly basis. These candidates shall be allotted projects according to their stream of education;

advise the concerned technical agencies under their jurisdiction & involved in student system management, for integration of data with IID's online portal and Mobile Apps with the aim of conducting workshops and seminars according to their stream. This will enable students to upgrade their knowledge and information about industries. Candidates can submit their project report online after attending or watching various industrial documentaries and workshops. An assessment of candidate's performance shall also be made online followed by downloading of certificate, also online;

For students who wish to be self-employed or wish to start business or industry or Start-up(s), it will be made mandatory to join online EDP courses for long term nurturing and guidance. Such students are eligible to apply for

loan under PMEGP scheme after completion of education and this certification by IID;

organise to ensure that the experts and faculty of **ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY** shall upload lectures, workshops at IID's Mobile Apps. This content shall carry **ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY** logo and may be utilized by IID to show on their web site or YouTube channel to promote the content as well as Institution initiatives;

appoint a nodal officer or team of co-ordinators from various streams to implement EDP in an effective manner and generate valuable content for the candidates. Accurate Institute of Management & Technology suggestions regarding programme scheduling shall also be provided by Second Party, in due consultation with designated IID team;

collaborate and co-ordinate with IID to establish pool of technologies, expertise, technology providers, technology seekers and other resource persons throughout the country in undertaking any related activities;

provide opportunity to each student for entrepreneurial evaluation, selection, development, management and most importantly, the nurturing in industrial domain. Both Parties will mentor, assist and guide students and faculty in promoting and developing entrepreneurship and self-employment through continuous, professional and planned manner in every semester of each class as Project on quarterly basis.

5. Second Party Role:

Second Party shall perform following roles/activities through their own & associate network by providing virtual & physical nurturing of students through the use of technology and various online tools:

educate, train and guide students on various business models of entrepreneurship development and industrial nurturing of the students through online portal and mobile apps according to the respective domain of education;

enroll students in entrepreneurship development programme (EDP) or Industrial Readiness Programme (IRP), irrespective of stream of

education. The project shall be provided to students on quarterly basis in each year under these programmes;

make available EDP/IRP training content in video lecture format in Hindi/English, recorded by renowned experts of industries and professionals. Along with these lectures, PPT shall also be provided in English for better & further understanding of the subject;

organise such that the EDP portal and Mobile Apps contain various industrial documentaries, expert episodes & project reports for various business models related to education stream & job roles of students. These shall help students to develop better understanding of the subject and help them to start their business or get a job;

arrange for telecast of online workshops and seminars on Mobile Apps for the students on weekly basis, for various industries and business models for knowledge upgradation of all the enrolled students;

empanel experts from different domains of expertise, with the help of first party. These experts shall deliver their lectures and conduct live/ physical workshops from the studio(s) of second party located at Rajghat New Delhi etc. or at ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY campus or other relevant places equipped with live streaming facilities of live telecast.

Both the parties may utilize these contents for their enrolled candidates; provide their portal and Mobile apps for this EDP/IRP implementation purpose and long term nurturing of the students. The local assistance shall be provided by the first party, regarding training aspect of Apps' operation and assessment(s);

advise such MSME units as have been established and nurtured under the PMEGP scheme till date by IID & which are running successfully on pan-India basis, to give opportunities to the students in applying in these industries;

extend help to all students, after completion of their studies, who want to start own business, industry, service sector unit or want to do self-employment work, in applying loans under PMEGP scheme online where

project up to 10 Lacs' cost under service sector & project up to 25 Lacs cost under manufacturing sector are eligible for loan;
guide candidates through a call centre for different type of knowledge of EDP/IRP training, projects, business registration & job opportunities;
provide knowledge of major Government schemes through their portal in video and PPT formats through their portal and Mobile Apps;
organise to develop current EDP content of 60 hours in video/PPT format (Hindi & English), in the form of industrial documentaries, experts episodes, project reports and further allied content on business models and industries according to requirements, on regular basis.
give support in context of Virtual Internship and virtual summer training programs for students where topics will be decided on mutual understanding with First Party;
guide students for the placement in terms of self employment and support for start of their business under different government schemes.

6. The MoU has no cost implications and the financial cost structure related to different aspects shall be decided by both parties mutually, as per future engagement. The financial cost shall include the cost of onetime services like industrial documentaries, episodes, EDP course, content and project report and other component of recurring operational costs to run portal, hosting, call centre etc. This will be made integral part of the MoU or exchanged through written communication of letter or email.
7. This MOU is valid for a duration of Five (5) years from the date of signing of this agreement and can be extended or replaced by other agreement on similar or amended terms and conditions as agreed by the both the parties, mutually.
8. In the event of breach of the MOU, the ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY and IID shall make reasonable efforts to reach an amicable settlement thereof. If they cannot reach an amicable settlement all disputes arising in connection with this MOU thereof the same shall be referred to an Arbitrator appointed on mutual consent of both the parties. The city of arbitration shall be New Delhi, India.

9. ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY and IID are free to terminate the MoU at three (3) months' notice, in writing upon mutual discussion. However this shall not affect the training of the students already enrolled.
10. Both parties agree that each other's logo shall be used in all promotions, documentaries, episodes, documents belonging to other party and related to training only, but not for any other commercial purpose.
11. An amendment or changes in the scope of work or term of engagement under this MoU can be carried out from time to time with mutual consent and in writing.
12. It is agreed that the parties will mutually discuss and consult each other for any addition/alteration of provisions arising out of this agreement in order to identify and decide upon the manner in which the activities are to be done. Parties will be guided about their role and related activities from time to time by way of exchanging letter and emails.

MOU between M/S VS Energy Technology & Accurate Group of Institutions

Objective of Set Up in Accurate-

- ❖ R & D in Products
- ❖ Laser Printing System
- ❖ Product Prototyping
- ❖ LED Strip Making/ Repairing
- ❖ Assembling/making of products like- Bulb, Tube Light, Down Light, Tree light and some concept based products.
- ❖ Planning to provide skill training program
- ❖ Raw material operation/Product operation
- ❖ College project work

Our organization will provide skill training program and Internship to Accurate college students. Product service will be provided on nominal cost.

- There should be no time limitation for work and IN and Out Time.
- Our organization staff can visit any time in campus for work.
- Visitors can visit only during working hours. Mon-Fri 9AM-5PM.
- There should be no interference from college staff/ students/teacher.
- Organization can shift machines and tools in campus after agreement.
- Raw materials and Finished products should be allowed for IN & OUT.
- 1st 6 month we will not pay rent. We will pay only Electricity bill.

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING ("M.O.U"/ "Agreement") is made as on the day Thursday, 21st October, 2021 by and between

Edify Educational Services Pvt Ltd, located at Hitech City, Hyderabad hereafter referred as "EdifyPath" which expression shall unless repugnant to the context or meaning thereof include its successors and assignees.

And

Accurate Institute of Management and technology located at 49, Knowledge Park-III, Greater Noida (U.P) 201306 hereafter referred as "College", which expression unless repugnant to the context or meaning thereof be deemed to include, legal representative, executors, administrators, successors and permitted assigns of the other PART

Each individually a Party and collectively referred to as Parties.

WHEREAS, the EdifyPath and College have come together to collaborate for up-skilling the students of College under subscription of EdifyPath Certification Program and providing opportunities for Internship and jobs to excelling students

WHEREAS As of the date hereof both Parties as above have expressed a desire of entering into a Memorandum of Understanding (M.O.U) agreement to meet their respective objectives, which are set out here in below.

NOW, THEREFORE, it is hereby agreed by and between the undersigned Parties as follows:

BACKGROUND OF THE PARTIES

EdifyPath is a global online experiential e-learning platform that is focused on bridging the talent-gap across rising technology demands and helping learners acquire industry-specific skills that make them corporate-ready and ease their transition into the corporate world. EdifyPath offers a range of professional certified courses by various industry experts which are high in demand in the current day job markets. Edify Educational Services Pvt. Ltd.

PURPOSE:

The purpose of the collaborative relationship contemplated by this M.O.U is for College to promote a talent pool of young students, while facilitating their upskilling using EdifyPath's Platform (as defined below) and enabling them acquire new and relevant competencies as per the current market requirements and for EdifyPath to nurture the young talent, making the students more employable and industry ready ("Purpose"). For Achieving the Purpose, either parties hereby agree to collaborate with each other and enter into this MOU for non-commercial purposes and further agree that the relationship contemplated by this MOU is non-monetary in nature.

DELIVERABLES:

EdifyPath:

EdifyPath agrees to provide the following forms of support to the College on a good faith basis:

- a. Provide access to a world of knowledge across rising technology demands and helping its learners acquire industry specific skills
- b. Provide access to Edify Talks to enable learners gain insights from industry leaders and senior executives that will help in getting the bigger picture of various industries and the required competencies (domain, technical, behavioral and communication) to enter and excel in the career.
- c. EdifyPath to extend at a special promotional Price, which shall be applicable exclusively for the College.
- d. EdifyPath to provide services enabling its learners acquire new competencies in accordance with current market requirements anytime, anywhere upon subscription.
- e. EdifyPath to provide opportunities for Internship and placement support for excelling candidates upon successful completion of EdifyPath Certification Program(s).
- f. EdifyPath to conduct Technical workshops for the Students of College.
- g. EdifyPath to provide access to Khelo Application as part of the subscription as per the terms detailed below in this Agreement.

College Deliverables:

College by and through its principals and agents, agrees to provide opportunities to "EdifyPath" and its center of excellences, as appropriate, on a good faith basis,

- a. To promote EdifyPath and EdifyTalks amongst the student community, faculty and staff for skill- development.
- b. To support EdifyPath in to run running awareness campaigns in College premises.
- c. To render any additional support to achieve the deliverables mentioned in this Agreement.

Platform:

Director
Accurate Institute of Management & Technology
Greater Noida

EdifyPath will provide College access to its online learning interface where College can access the courses, content, marketing materials that are being offered including a limited period subscription to certain third party applications and materials as a value addition to the products being offered to College

License Grant

Except for the license and access rights granted in this Agreement, nothing in this Agreement grants any title or ownership interest in or to any Intellectual Property Rights in or relating to, the Platform, marketing materials or third party materials, whether expressly, by implication, estoppel or otherwise. All title and ownership interest in and to the Platform, marketing materials and the third party materials are and will remain with EdifyPath and the respective rights holders in the third party materials.

Khelo College Clad Application:

As part of the offerings and through its collaboration with third parties and as a value addition, EdifyPath will provide a limited period fully paid up subscription and access to the Khelo College Clad Application ("Khelo") for the benefit of College for a period of 12 months from the Effective Date ("Initial Period"). Khelo will be a complimentary product offering provided pursuant to this Agreement that either works as an independent application or as an integrated application with the Platform. Khelo is being offered as part of the service offering which can provide for student engagement through knowledge sharing, event hosting, contests, promotional events and sharing of articles, contents among the students etc. Post the expiry of the initial period certain subscription fee might be applicable for continued utilization of Khelo as agreed upon between the College and the applicable third party owners.

Disclaimer of warranties:

Except for the express warranties provided in this Agreement, all applications, the Platform and materials are provided "as is" and EdifyPath hereby disclaims all warranties, whether express, implied, statutory or other, and EdifyPath specifically disclaims all implied warranties of merchantability, fitness for a particular purpose, and all warranties arising from course of dealing, usage or trade practice. Without limiting the foregoing, EdifyPath makes no warranty of any kind that the applications, the platform, materials, or any products or results of the use thereof, will meet College's or any other person's requirements, operate without interruption, achieve any intended result, be compatible or work with any software, system or other services except if and to the extent expressly set forth in the specifications, or be secure, accurate, complete, free of harmful code or error free. All third-party materials are provided "as is" and any representation or warranty of or concerning any third party materials is strictly between College and the third-party owner or distributor of the third-party materials.

Confidentiality:

College will hold in strict confidence the confidential information disclosed by EdifyPath in furtherance of this Agreement. College shall use the confidential information in accordance of the terms and solely for achieving the Purpose of this Agreement. College agrees not to disclose confidential information to any other parties without the prior written consent of EdifyPath. College will exercise at least the same degree of care it uses to protect its own confidential information.

The obligations of confidentiality do not apply to information (i) that becomes publicly available for no fault of the College; (ii) can be demonstrated by written evidence that it was in the possession of the receiving Party prior to receipt from EdifyPath; (iii) Independently developed by the Parties without use of information disclosed by the other Party.

Director

Limitation of liability

The Parties shall not be liable for any incidental, special, indirect or consequential damages arising out of or relating to this Agreement.

Intellectual Properties:

College hereby grants EdifyPath a royalty-free, non-exclusive, non-transferable, non sub licensable, limited term license to use College's marks solely for the purpose of aligning the appearance of its products branding and only as specifically authorized by, and subject to any restrictions stated in, this Agreement. Such license shall be limited to the duration of this Agreement. During the Term of the Agreement, EdifyPath may include College in any of EdifyPath's customer lists and testimonials, solely for the purpose of identifying College as a customer of EdifyPath. EdifyPath acknowledge that the provisions of this paragraph do not convey any right, title or ownership interest in College's marks to EdifyPath except for the license and access rights granted under this Agreement nothing in this Agreement grants any title or ownership interest in or to any Intellectual Property Rights of one Party to the other. College hereby unconditionally and irrevocably grants to EdifyPath an unrestricted license to use including all Intellectual Property Rights relating thereto.

Information Sharing:

In connection with this Agreement either Parties shall during the Term of this Agreement shall provide, accommodate and make available as required access to each other's information (students databases by College and any customer information shared by EdifyPath) and hereby agree to share such information with each other solely for the accomplishment of the Purpose of this Agreement. Either Parties acknowledge and agree not to use, decimate to any third party, share or use such information for any other purposes otherwise than as stated in this Agreement and hereby agree to maintain such information in strictest confidence.

Term of the Agreement

This Agreement shall commence from the Effective Date above and shall continue to be in force unless terminated by either Parties as per the terms of this Agreement ("Term").

Marketing Collaboration:

Either Parties to this Agreement agree to cooperate with each other in the marketing and promotion of the products and services of the Parties in furtherance of achieving the Purpose of this Agreement. Such cooperation shall include the reasonable provision, at the Party's expense, reasonable participation and assistance, as agreed to by the Parties, with trade shows, conferences, company sales conferences and education seminars etc.

Termination

The engagement contemplated between the Parties under this M.O.U. is at-will. Upon the discretion of the either of the Parties the collaborative relationship under this M.O.U. may be terminated with an advance written notice of 30 days to the other Party. Upon termination of the Agreement for any reason either Parties shall promptly return to the other Party all confidential information of the other Party. Except for the obligations which are logically ought to survive, all other rights and obligations of the Parties under this Agreement shall expire upon termination of this Agreement.

Director
Accurate Institute of Management & Technology

Memorandum of Understanding

This Memorandum of Understanding is implemented between Coding Ninjas (Sunrise Mentors Private Limited) and **Accurate Institute of Management and Technology** for the Financial Year 2023-24 for exclusive access to Studio.

This MoU is your exclusive pass to Studio, which is a One Stop Solution for everything "Tech". It is the most trusted Online platform to help students enhance their skills, expand their knowledge and prepare for technical interviews. Students will join a community of tech enthusiasts to learn, practise, share their programming knowledge, and build the foundation of a solid career.

With the exclusive access to Studio, the students can :

- Set up Goals and customise their learning path
- Develop a Strong Profile and keep track of their progress
- Become an Expert Competitive Coder by competing with coders across India
- Prepare for their Dream job with company Specific Content
- Participate in Contests, win exciting prizes and showcase their Skills
- Connect and compete with a large network of like minded people
- Receive Guidance and Mentorship from Industry Experts

Deliverables from Coding Ninjas (No cost will be involved regarding given points) :

- Appoint Single point of Contact for all support and service
- Provide access to all the Learning content on Studio for students and faculties
- Conduct Placement Assessment Tests for Students of 3rd and 4th Year
- Conduct Coding Contests (Company Specific/Topic Specific/General) for all the students
- Provide Guidance through Webinars and hands-on Workshops
- Organise Freshmen Induction for the First Year Students of the University
- Provide free Access to Hiring and Internship Challenges conducted on Studio
- Organise Industrial Visits to Coding Ninjas Premises for Selected Students
- Provide regular reports to the University on the student performance

Deliverables from College :

- Designate Studio as learning partner for the University
- Assign 4 student coordinators (1 from each year) and 1 Faculty Coordinator
- Create Internal Channels for smooth Communication across the batches
- Allow Coding Ninjas to conduct Online / Offline events in the campus
- Maximise student participation in Contests and Events conducted by CN
- Provide timely updates to students about event conducted by Coding Ninjas
- Provide Designated Spots on Campus for Offline Promotion of CN events
- Opening of CN chapter in collaboration with Coding Ninjas

Disclaimer : The content/platform provided by Coding Ninjas is a property of Coding Ninjas and is made available to the students and faculty of **Accurate Institute of Management and Technology** under this collaboration. • 2011 •

This MoU is signed between the following parties, here-in-after collectively called as the "Parties" on following terms & conditions:

1. THE FIRST PARTY

Accurate Institute of Management & Technology (hereinafter called the 'First Party' or 'ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY' which expression shall, unless it be repugnant to the subject or context thereof, include its successors and assignees)

AND

2. THE SECOND PARTY

Institute for Industrial Development (IID) is a business incubator under Public Private Partnership with Ministry of Micro, Small and Medium Enterprises (MSME) & Samadhan Samiti, having its office at Gandhi, Darshan, EVIC Park, Rajghat New Delhi, set up as a virtual business incubator to educate, update and train professionals and entrepreneurs and guide them with the latest technology, schemes, manufacturing processes, machinery details, project cost etc. It primarily discharges its responsibilities, through, online and offline training of entrepreneurship development on behalf of Ministry of MSME. Online portal and Mobile Apps are used by IID to deliver training content through tools like weekly live Industrial workshops, Expert Episodes, Industrial Documentaries, Project Reports, registration and Government Scheme guidance. It is also managing MSME helpline through its call centre. It has its own YouTube channel named "Entrepreneur India TV". It has its own production houses at Park Road, New Delhi &

Sector 6 Noida which consists of fully equipped Audio Video Studio with Green Screen Facility, Editing Room and Live Streaming equipment in Real Time. It has in-house production team which comprises of cinematographers, editors, anchors and content writers. IID is also a "START-UP Incubator" promoted by Government of Uttar Pradesh. IID shall, here-in-after be called the 'Second Party' which expression shall, unless it be repugnant to the subject or context thereof, include its successors and assignees.

3. Purpose of MOU:

Self-employment and entrepreneurship development is a key concern for both the parties; both are working for it accord to their respective strength and domain expertise. It is obvious that ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY is focused more on their key area of education while IID is focused on entrepreneurship development, skill development and providing Industrial knowledge for creation of industry-ready educated youth.

Therefore, this MOU is designed to synergise on the common area of expertise with focus on entrepreneurship development and skill development of educated youth, who enrolled in different streams of education, with the First Party at different times.

Youth of nation need to be motivated through initiatives like pop, Entrepreneurship and Industrial Readiness Program (IRP) through online portal and mobile apps, in accordance of the need of hour. Students need to be encouraged relating to their domain specific business models or industries. IID is imparting Learning, providing guidance and updating of knowledge of aspiring students regarding setting up of industries, start-ups and small businesses through its unique incubation process.

IID will organise for enrolment of the students from various streams of ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY via IID portal "iid.org.in" & "Entrepreneur India TV" App for Online Entrepreneurship Development training & Internship with various

industrial processes. The student may download the stored mobile apps to update themselves about the working of the various industries, which may give them better understanding of their job roles as well as help in self-employment. IID shall also provide this platform to First Party's Alumni students of various streams, who want to start their business. These entrepreneurs can, in turn, generate employment through this process whereby fresh graduates may be employed in these industries.

Both Parties now agree to undertake the following activities:

4. First Party Role

The role of First Party pertains to the work assigned to its departments, faculty & allied institutions of the First party. In specific terms, the First Party shall:

provide their platform to IID for implementation of FDP, Skill development programme, Industry Readiness Program (IRP) and allied nurturing programmes for its various streams of education on compulsory project on quarterly basis. These candidates shall be allotted projects according to their stream of education;

advise the concerned technical agencies under their jurisdiction & involved in student system management for integration of data with IID's online portal and Mobile Apps with the aim of conducting workshops and seminars according to their stream. They will co-ordinate efforts to upgrade their knowledge and information about industries. Candidates can submit their project report online after attaching or watching relevant industrial documentaries and workshops. An assessment of candidate's performance shall also be made online followed by downloading of certificate, also online;

For students who wish to be self-employed or wish to start business or industry or Start-up(s), it will be made mandatory to join online FDP courses for long term nurturing and guidance. Such students are eligible to apply for

loan under PMEGP scheme after completion of education and this certification by IID.

organise to ensure that the experts and faculty of ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY shall upload lectures, workshops at IID's Mobile App. This content shall carry ACCURATE INSTITUTE OF MANAGEMENT & TECHNOLOGY logo and may be utilized by IID to show on their web site or YouTube channel to promote the content as well as Institution initiatives.

appoint a nodal officer or team of nodal officers from each & every state to implement IID in an effective manner and generate valuable content for the candidates. Accurate Institute of Management & Technology suggestions regarding programme scheduling shall also be provided by second Party, in due consultation with designated IID team.

collaborate and co-ordinate with IID to establish pool of technologies, expertise, technology providers, technology seekers and other resource persons throughout the country in undertaking any related activities.

provide opportunity to each student for entrepreneurial evaluation, selection, development, management and most importantly, the nurturing in industrial domain. Both Parties will mentor, assist and guide students and faculty in promoting and developing entrepreneurship and technology start up through continuous, professional and planned manner in every semester of each class as Project on quarterly basis.

5. Second Party Role:

Second Party shall perform following roles/activities through their own & associate network by providing virtual & physical mentoring of students through the use of technology and various online tools:

educate, train and guide students on various business models of entrepreneurship development and industrial mentoring of the students through online portal and mobile applications to enhance the domain of education;

mentor students in entrepreneurship development programme offered under Industrial Readiness Programme (IRP) for respective education.

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING (MOU) is entered into between Edify Education Services Pvt. Ltd. ("Edify") and Accurate Institute of Management & Technology ("AIMT") on this 15th day of May, 2023.

Edify Education Services Pvt. Ltd. is located at B-10, Sector 10, Greater Noida, Uttar Pradesh, India. EdifyPath™, which expression shall unless equivalent to the context, is a registered trademark of Edify Education Services Pvt. Ltd.

And

Accurate Institute of Management & Technology, located at Sector 10, Greater Noida, Uttar Pradesh, India. Accurate Institute of Management & Technology, which expression shall unless equivalent to the context, is a registered trademark of Accurate Institute of Management & Technology.

Each individually a Party and collectively referred to as Parties.

WHEREAS, the EdifyPath and College have agreed together to collaborate for upskilling the students of College under supervision of EdifyPath Certification Program and providing opportunities for internships and job to existing students.

WHEREAS, As of the date hereof, both Parties as above have expressed a desire of entering into a Memorandum of Understanding (MOU) agreement, the terms and conditions of which are set forth below.

NOW, THEREFORE, it is hereby agreed by and between the undersigned Parties as follows:

BACKGROUND OF THE PARTIES

EdifyPath is a global online experiential learning platform that is focused on helping learners keep up with the latest technology demands and helping learners acquire industry specific skills to stay relevant in the corporate world. EdifyPath offers a range of professional certified courses by various industry experts which are high in demand in the current day job market. Its association and tie-ups with global industry leaders gives EdifyPath an edge in designing unique content that keeps our learners much ahead in the learning curve. EdifyPath through one of its unique offerings "EdifyTalks" provides unique power clips from industry leaders and senior executives that offer valuable insights for career prospects to its learning community.

College is an education institute that intends to offer its students a globally relevant learning experience, by providing high quality, affordable and accessible education. College through the process of upskilling intends to elevate its students to serve the emerging talent needs of industry.
